Evaluate Your Giving & Investing

2nd Corinthians 9:7 tells us that "Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

And Proverbs 21:5 tells us, "Steady plodding brings prosperity, hasty speculation brings poverty"

These are great verses to look at when it comes to giving and investing- and as you'll see, giving and investing are the two areas that will be constants on our financial discipleship journey.

Every time you complete a Phase of Your Money Dates- you should be in a different and better financial situation than you were before. So after completing each phase, prayerfully evaluate your giving and your investing. You may find that you are in a position to give and invest even more than what you were doing before.

We have prayerfully agreed to make the following adjustments in our giving and investing:
