The Compass Curriculum

For Ages 16-23

Are you following God's plan for your finances?

Today's media is a maze of conflicting messages about what to do with your money. God's way is much better. It protects you from the ravages of greed and materialism and enables you to create eternal value with money and possessions as you glorify God through your management of them.

The Compass Curriculum by Compass Financial Ministries will improve your finances (and life) by guiding you to apply God's principles to your specific circumstances. Your destination? Financial health and a closer relationship with God!

Topics Include:

- Starting Well
- God's Part
- Our Part
- Generosity
- Saving
- Investing
- Debt
- Honesty
- Work
- Counsel
- Crisis
- Eternity
- Finishing Well
