

PUZZLE #1

Put the pieces together to reveal the puppy's name and a Bible verse to read.

Clue #1

In your search this week, you will learn about being a good steward. Our discussions will focus on being a good steward for God and how that relates to our money, but our puzzles and clues will all be about you and the puppy you are taking care of for your neighbors this week! Find the envelope labeled "PUPPY" to begin your search for the secret.

Clue #2

I can't be there to make sure you are taking care of my sweet puppy. I hope you are doing your best and being responsible with my little love! Solve puzzle #2 to earn my puppy's leash so you can walk him safely on the sidewalk. My puppy loves to nap on soft pillows, you might look there for your next puzzle.

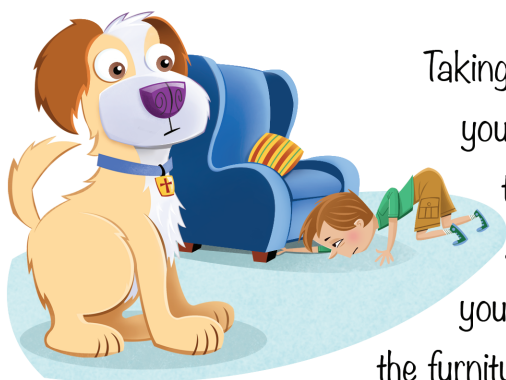

Clue #3

My neighbor called and told me that you were walking my puppy without using the leash. That is dangerous! You are no longer allowed to take my puppy for a walk.

Please return the leash and solve puzzle #3 to find my puppy's favorite toy so you can exercise puppy in the house or backyard.

My puppy drinks a lot of water. You will spend a bit of time here - filling his water bowl.

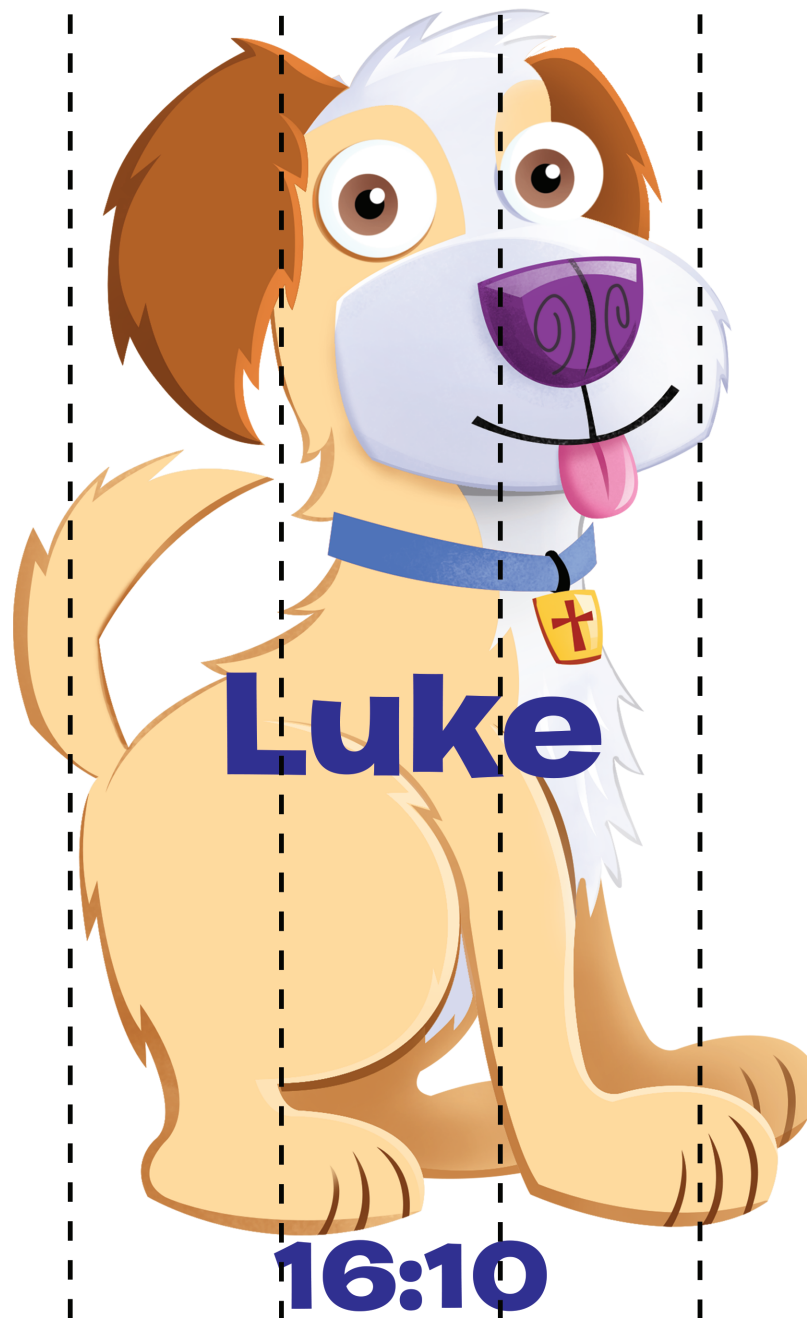

Clue #4

Taking good care of a puppy can sometimes feel like you are stuck in a maze and are not sure what to do next! I appreciate you being faithful and responsible with my sweet puppy! If you can't find something, you might look under the furniture. Luke always loses his toys under the furniture!

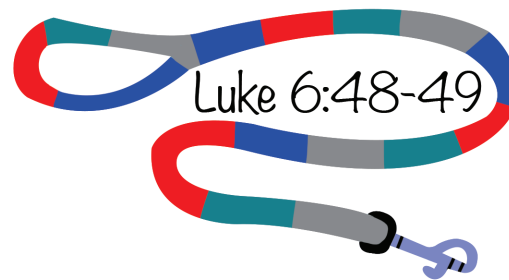

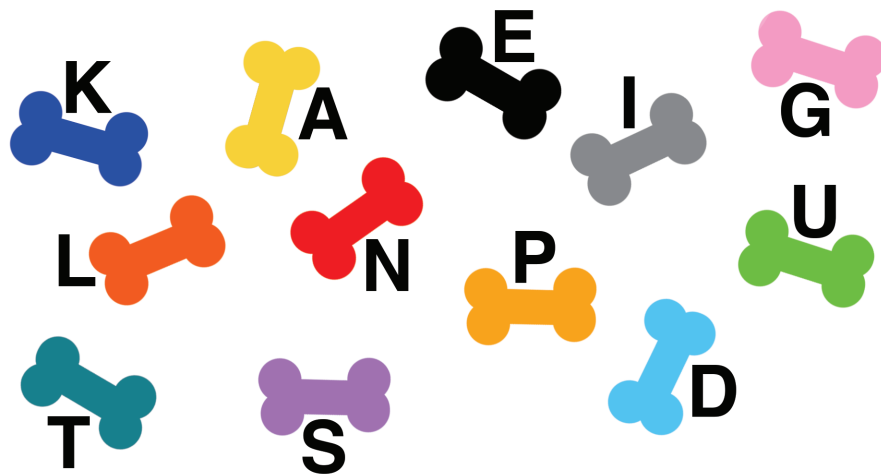

Cut this page into strips and place in an envelope for kids to put together the picture.

PUZZLE #2

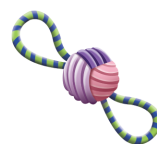

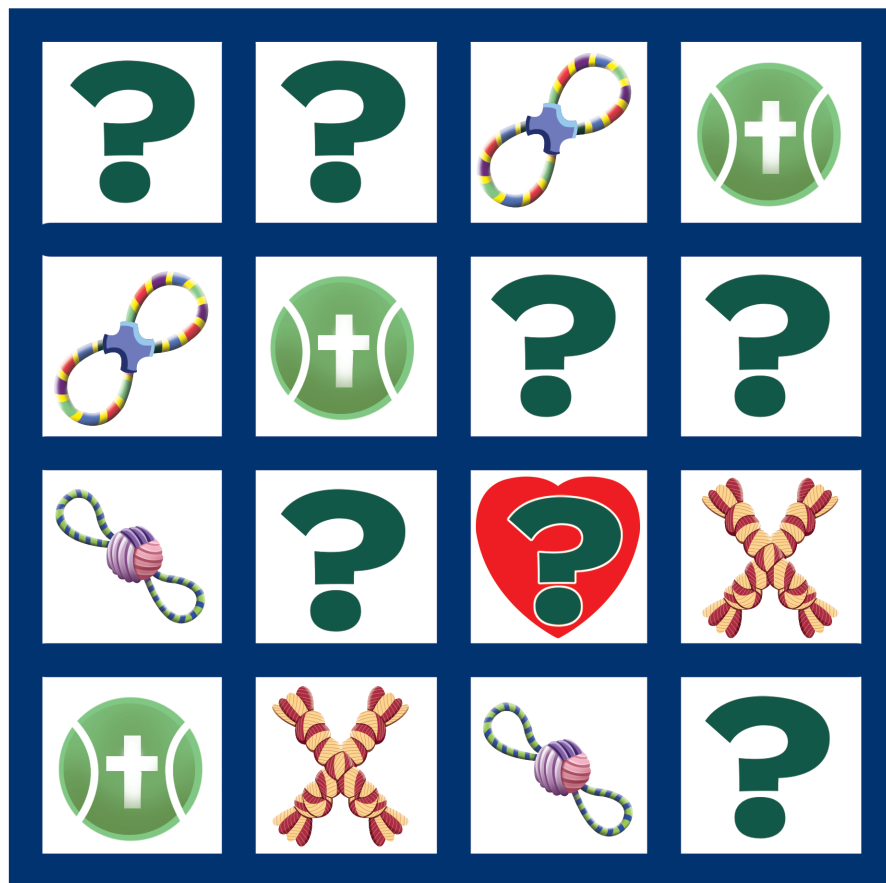

Use the colored puppy treats to find Luke's leash.
Then you will know the next Bible verse to find and read.

PUZZLE #3

Solve the puzzle to see which toy is the puppy's favorite and which Bible verse to find and read next! In the puzzle, you can only have one of each toy in each row and column.

Hebrews 2:1

Hebrews 4:13

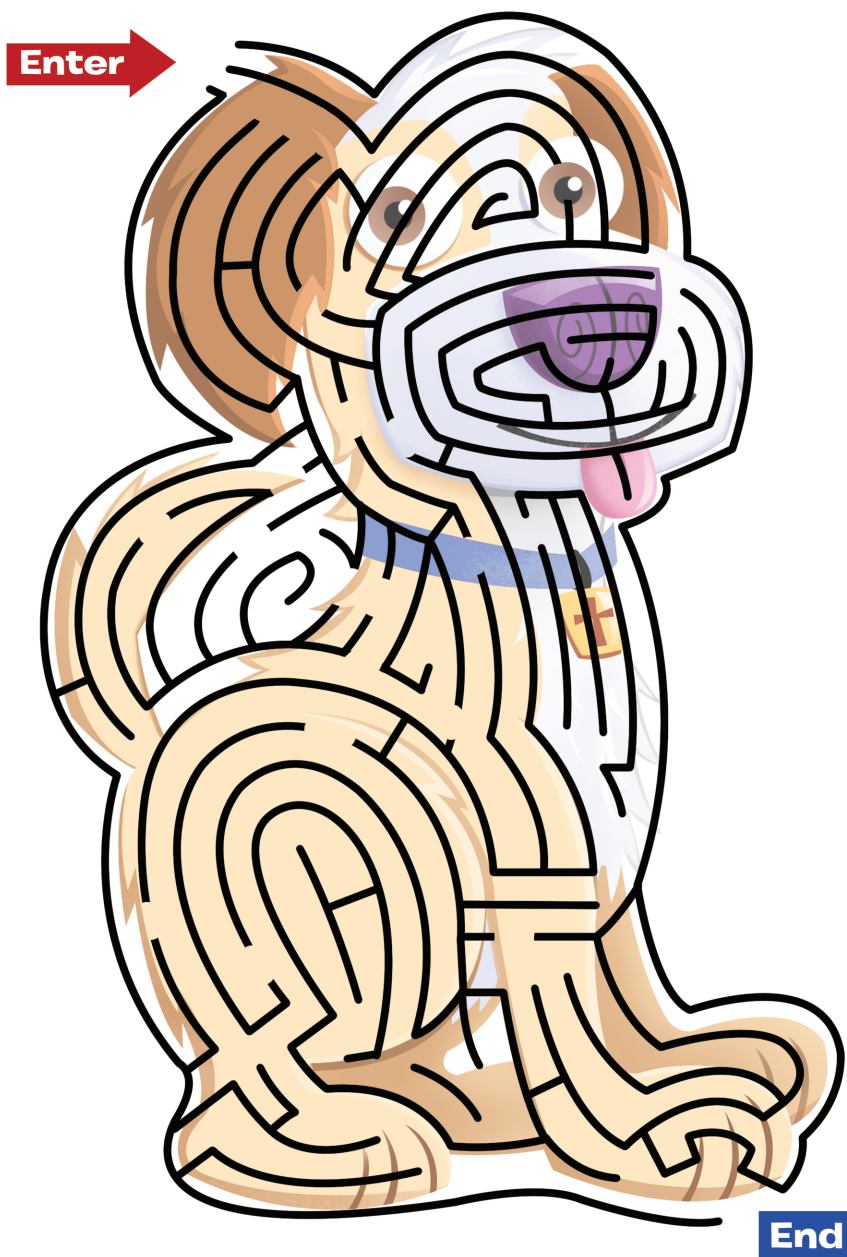

Hebrews 6:10

Hebrews 13:5

PUZZLE #4

Make your way through the puppy maze to earn the Bible verse card.

Bible Verse Card

Great job on the maze, it was a little tricky!
Kind of like taking care of a puppy!
Your next Bible verse is
2 Corinthians 5:9-10

Clue #5

I can't wait to get home and see Luke! Thank you for taking good care of my puppy! I loved that you petted him, played with him, and remembered to feed him and also took Luke out to potty so he didn't have an accident in the house. Next time, just remember to use the leash when you take Luke for a walk. One thing about Luke that drives me crazy is how he likes to get into the trash. Have you seen any signs that he has been in the trash?

PUZZLE #5

The puppy has been playing with the Bible verse cards and now they are all mixed up. Unscramble them and number them in the order you found them. Then you will have the combination to unlock your treasure!

★ CONGRATULATIONS! ★

You found the treasure again this week! You are on your way to discovering the secret to handling money God's way.

In this lesson, we learned about what it means to be a steward for God. A steward manages someone else's property. In this case, we are managing all the things God gives us. We are in charge of taking care of God's things!

The number one thing God asks from us is to be faithful. That means we do our best to be trustworthy, responsible, and honest with all we have. God isn't looking for us to be perfect, because He knows we will make mistakes. But He does want us to do the best we can and to be honest with Him when we make bad choices.

When we have money, we can be good stewards of that money by using it wisely and not wasting it. Good work this week!
